Highland School

*Chris Trostad, Principal
Highland School
801 Central Ave. North
Crookston, MN 56716*

Welcome to Highland School

On behalf of our school staff, we welcome you to the 2019-2020 school year. Highland serves students in grades one through six. Our school day begins at 8:00 am and ends at 3:00 pm.

The general guidelines, policies, and procedures for Highland School are included in this handbook. We encourage you to review this handbook and call if you have any questions.

We are looking forward to working with you and your children this school year!

Sincerely,

Chris Trostad

Chris Trostad
Highland School Principal

ATTENDANCE POLICY

Parents and guardians are responsible to see that their children attend school daily and on time. Students must be in school each and every day for each and every hour of the day unless they are ill, have a medical appointment or experience a family emergency. **When a student is absent, parents should call the school by 8:00 A.M.** This lets us know that the child is safe and that there is a reason for him or her to not be in school. Daily, our office staff attempts to contact each family whose child is absent, if the school has not been notified. If your child arrives late to school, **they are required to report to the office upon arrival.** Students that are “continuing truant” or “habitually truant,” including cases of chronic tardiness, will be referred to our school’s discipline guidelines.

There are two types of absences:

Excused: Excused absences include illness, medical appointments and family emergencies. **A doctor’s statement may be required** after three or more consecutive absences or a pattern of absences due to illness. The **administration will decide** if the absence is excusable based on the reasons given. If your child has an appointment during school hours, please bring a note from the appointment to ensure this time away from school is an “excused” absence.

Unexcused: Unexcused absences are those that could have been reasonably avoided or delayed. (Examples include, but are not limited to: oversleeping, shopping, haircuts, etc.) Even with the consent of the parents, absences can be ruled unexcused by the school administration. Whenever possible, absences should be communicated in advance. When this is not possible, all absences must be cleared through the office within 24 hours of the student’s return to class, or the absence may be declared unexcused. At **three unexcused absences**, the school is legally required to notify the parent or guardian that the child is a “**continuing truant**,” and the student may be required to make up the missed school time after school.

Each truancy case will be dealt with on an individual basis and will include one or more of the following: student conference, parent conference, involvement with Social Services, and/or detention to make up the time missed.

The Minnesota Department of Education requires students to be in attendance 90% of the school days to have “Consistent Attendance.” Students are “Chronically Absent” when they miss more than 10% of the school days per year. The state of Minnesota includes BOTH excused and unexcused absences toward the 90% in school attendance requirement. When students are on pace for being “Chronically Absent” from school based on a pro-rated monthly calculation Highland School staff will make phone calls to parents/guardians and send letters informing parents when their student is on target for being “Chronically Absent” from school.

Minnesota Statute states that if a child is under 12 years of age and the school has made appropriate efforts to resolve the child’s attendance problems, a child’s absence is legally considered to be the result of the parents’ failure to comply with compulsory instruction laws. This is defined as educational neglect. When **seven un-excused absences (non-consecutive)** have occurred, the student is considered “**habitually truant**” and the school is required to report the matter to Polk County Social Services for review.

BICYCLES, SKATE BOARDS, ROLLER BLADES, AND SCOOTERS

When a student has reached school property, he/she must remove their roller blades and/or carry their skateboards. Roller blades and skateboards must be stored in lockers or in the office between 8:00 am and 3:00 pm. Bicycles must be stored in the bicycle racks between 8:00 am and 3:00 pm.

Failure to follow school rules regarding roller blades, skateboards, and bicycles will result in a loss of privileges and they will not be allowed on school property. Scooters are not allowed at Highland School. At Highland, skateboards and roller blades may not be used on school sidewalks or on the playground for safety reasons. Students wanting to leave before the buses need to carry their skateboards or roller blades to the bike rack and put them on. Tennis shoes with wheels in them are not allowed in the buildings. Remove the wheels and store them in your locker. Encourage your student(s) to place these items in a locked locker once they have reached school. Highland School is not responsible for lost, stolen, and/or damaged skateboards, rollerblades or bicycles.

BREAKFAST AND LUNCH PROGRAM

Breakfasts and hot lunches are served daily. The Crookston Public Schools Hot Lunch Program is part of a federal and state program whose policy allows families in certain income brackets to have lunches served free or at a reduced cost. To apply for free/reduced meal prices, request an application from the school or district office. Payment for school lunches should be made in advance at each school.

Cold lunches may be brought from home. Milk is available for purchase to accompany a cold lunch. We encourage parents and siblings to join us for lunch any day of the week. Parents or family members may have lunch with your student only. Please sit at the designated guest table.

BUILDING USAGE

The Board of Education has an established policy and fee schedule for groups desiring to use the building before or after school, weekends, or during the summer. Please contact the office for the schedule and building request forms.

BULLYING PROHIBITION POLICY

Highland School will follow the district handbook according to Policy 514. You are able to view the current policy at

http://www.crookston.k12.mn.us/sites/crookstonpublic.new.rschooldtoday.com/files/policy_514_-_bullying_prohibition.pdf

CELL PHONES

See "Phones."

CHANGE OF ADDRESS/TELEPHONE OR CELL PHONE NUMBER

It is the responsibility of a parent or guardian to notify each school of any changes in address, telephone or cell phone numbers. For your child's safety, please notify the school each time there is a change, so we are able to contact you in the event of an emergency or illness.

CLASSROOM VISITATION

Parents have the right to view the curriculum of their child's teacher. Due to student confidentiality, parents must make prior arrangements with the teacher and the principal prior to visiting the classroom. Students are not to bring friends or relatives to visit during school hours, unless the principal grants permission. Anyone entering the school MUST report to the office to sign in and pick up a visitor's pass.

COMMUNICATION

The staff wishes to communicate with families on a regular basis. It is the goal of the entire staff to keep families and all residents of Independent School District #593 informed of the activities and

many interesting and worthwhile events throughout the District. In addition to phone and email communication, teachers may send home newsletters or share information on their website. Families may also get information on student attendance and grades using the online Skyward system. Contact administrative assistant Jana Hodgson to set up an account. District employee's email addresses follow this general format: [firstlast@isd593.org](mailto:firstname.lastname@isd593.org).

Parents that would like to meet with the Principal need to make an appointment with the Highland Administrative Assistants due to the Principal's scheduled appointments and to ensure he is available. Please call 218-281-5600.

CONFERENCES

Parent/Teacher Conferences are scheduled in the fall and spring. Conference schedules for elementary students are sent to each home prior to the conference period. Additional conferences will be scheduled as needed by parent or teacher request. Parents also can call for a phone conference during the teacher's preparation period and before or after school.

DATA PRIVACY

The policy on Data practices and the procedures included with it are designed to meet the provisions of the Family Educational Rights and Privacy Act (FERPA), the Minnesota Government Data Practices Act and the Confidentiality of Information section of the Education for All Handicapped Children Act of 1975. The Crookston Public Schools are committed to implementing the policy and following the procedures.

The Board of Education authorizes the school Superintendent to inform parents, students and the public of the policy and to exercise his administrative resources to implement the policy as well as deal with individuals who violate it.

In case the parent of a student, an eligible student or a citizen of the Crookston Public Schools believes that the district is violating the intent of the above legislation and is not able to resolve the issue with School District personnel, questions or problems may be directed to:

1. Information Policy Analysis Division
MN Department of Administration
201 Administration Building
50 Sherburne Ave.
St. Paul, MN 55155
(612) 296-6733 or 1-800-657-3721

2. Family Policy Compliance Office
US Department of Education
400 Maryland Ave. SW
Washington, DC 20202
1-800-872-5327

DISCIPLINE POLICY

Our discipline policy is designed to promote a positive environment for learning. The atmosphere of the school is intended to promote fairness, honesty, and respect among students, school personnel and community members. The discipline plan is intended to help students learn and practice appropriate behavior throughout the common areas of the school as well as in their classrooms. The

common areas of the school are the hallways, bathrooms, library, lunchroom, playground, bus lines, etc. Each classroom teacher has a general classroom discipline plan.

It is the responsibility of every student to respect and follow the general rules of the school. When students choose to act disrespectfully and not follow the rules, the student may be required to sit out of recess, assigned detention, or receive other consequences that include, but are not limited to, suspension or expulsion. Specific examples of inappropriate behavior include fighting, bullying, and disrespectful or threatening language or gestures.

Highland School Rules and Expectations Include:

- 1. Do the right thing**
- 2. Do it to the best of your ability**
- 3. Treat everyone with dignity and respect**

See Appendix I for Highland School's Discipline Policy

DOCTOR/DENTAL APPOINTMENTS

When possible, the school office should be notified in advance of doctor and dental appointments your child will be attending during the school day. On the day of any appointment, please pick up and sign your child out of the office for their appointment. Bring back a note from the appointment to ensure the time away from school will be considered an "excused" absence. Upon return from the appointment, please come into the office to sign your child back into school for the rest of the day.

DRESS CODE

All students are expected to observe a high standard of conduct at school and at all school related functions, in or out of town. High standards of conduct extend to wearing appropriate clothing. It should be neat, clean and in good taste.

The following clothing is not allowed:

- ❑ Clothing which violates the rights of others and/or disrupts the educational setting, including insignia and gang related colors, is prohibited in the school setting.
- ❑ Students may not wear caps, hats, hoods, jackets, bandanas, or coats in the school. They are to remove their hats/caps/hoods/bandanas when entering the building.
- ❑ Students are restricted from any manner of dress or personal grooming which presents a danger to health or safety; causes interference with work; or creates classroom or school disorder. Such clothing includes but is not limited to: clothing with drug, alcohol or tobacco advertising; print or graphics which is sexually explicit or suggestive; representations which are inappropriate, offensive or demeaning to any group; clothing which is suggestive or inadequate in its covering, such as "Short shorts", skimpy tank tops that expose the midriff such as shirts with spaghetti straps; and pants worn below the waist.
- ❑ Shorts must reach the student's fingertips when standing with their hands at their side.

Consequences for violating the dress code include but are not limited to:

- * Change of clothing immediately
- * Removal from class
- * Parent Conference
- * Detention if second violation occurs

Body piercing (other than ears) and tattoos can be considered a distraction. Hardware must be removed while in the school building and tattoos must be covered.

Proper footwear is also required. Slippers or stocking feet can be dangerous and/or disruptive in the classroom. During cold weather, students should wear warm clothing such as jackets, hats, mittens, snow pants, and boots. Boots will NOT be permitted to be worn in school during class time. Physical Education teachers encourage all students to have good fitting, lace-up tennis shoes for class. These shoes help prevent accidents and injuries.

EMERGENCY INFORMATION

Parents/guardians must complete the emergency information portion of the student enrollment form each year. This emergency information will include the name of a responsible person who can be contacted if a parent/guardian is unavailable. This is useful in case of illness, accidents, early dismissal due to weather, or other unforeseen events. The school offices must be notified of any changes in address, telephone or cell number, employment location, or designated emergency contact.

EMERGENCY SITUATIONS

In the event of a school-wide emergency parents would receive an Instant Alert message telling them what location to go to to receive information regarding the situation or to pick up their child. Parents are not to come to Highland School in the event of a school-wide emergency because it will hinder emergency personnel. Parents are to meet at the designated location stated in the Instant Alert.

EXTRA HELP

Students may seek extra help from their teachers if they do not understand an assignment, if the work is difficult, or if they have missed school. Students should talk to their teachers to arrange a time during the day, before school, or after school to get extra help. A teacher may sometimes request that a student stay after school if it is apparent that the student is having difficulty with the work. This should not be thought of as punishment, but rather as the desire of the teacher to help the student achieve academically.

FAMILY SERVICES

A Family Service Specialist and School-Based Mental Health Provider are available to families and students at Highland School. Services are available to support families and can include mental health services, school supplies, cold weather gear, referrals/connections to resources within the community and homeless liaison services. For more information about services available please contact Tara Miller.

FIDGET DEVICES

The use of fidget devices (fidget spinners, fidget cubes, etc.) are allowed but only in classrooms where the teacher has approved their use. They are not to be used outside of that teacher's classroom. Students who violate this policy will have their fidget device confiscated.

FIELD TRIPS

Any parents that are interested in chaperoning a field trip must complete a Volunteer/Chaperone form in the office. You can also find the required form in Appendix N of this handbook. Chaperones must return the form to the Highland School office one week prior to the field trip. The office will notify you if you are needed as a chaperone on the field trip. Only approved chaperones will be allowed to go on field trips. Chaperones must be parents or guardians of a child on the trip. Parents or guardians must have legal parental and custodial rights to that child to chaperone.

Any point system used by the teacher will be at the discretion of the teacher to determine if students can attend field trips. Any students that have chosen to leave Highland School without permission will not be allowed to attend field trips. Students that have required law enforcement assistance during the school year will not be allowed to attend field trips. Any students that have had drug, alcohol, tobacco, destruction of school property, assault, or weapons violations during the school year will not be allowed to attend field trips.

FIRE/DISASTER DRILLS

Ten fire and disaster drills are held during the school year. These drills usually take place in the fall and spring of the year. If our area is under a tornado warning, or lock down, the students will not be dismissed from school until we have an official "all clear" notice.

FOSTER GRANDPARENTS

With the cooperation of the Tri-Valley Opportunity Council, a Foster Grandparent program is in operation. Retired senior citizens come to the school each day. The Foster Grandparents work with students individually and/or in small groups to review and reinforce educational concepts taught in the classroom.

HEAD LICE

Suspected cases of head lice in school will be referred to health service staff. If students are identified as having live head lice, Health Service Staff (HSS) will notify the child's parent or guardian by telephone call or by sending a note home with the child prompting parents of proper treatment. Children with lice will not be excluded from attending school whenever possible. They may return to school as soon as they have been treated for live lice. At the discretion of the school nurse, a letter may be sent home to parents in the classroom. The classroom teacher will be notified of the presence of lice in their classroom and encouraged to report any other suspected cases. HSS will check siblings, or notify other schools of the situation where siblings are located, if it is deemed necessary. Staff will maintain confidentiality of students with lice at all times. HSS may check in with the student or parent the next day to insure treatment was done and no live lice are still present. Parents are encouraged to check their children periodically for head lice and be aware that it can be present at any time but does not pose a health risk.

HOMEBOUND INSTRUCTION

Homebound instruction, by a private tutor, will be provided for students who will be out of school or at the hospital for an extended period of time, and have a doctor's statement.

HOMEWORK

Homework should supplement and reinforce what has been taught in the classroom. Some students may need added practice in basic skills that are taught. For other students, homework is a means of enriching school activities. Students who fall behind because of absence or poor work habits may need homework to catch up with their group. It is the school's objective to assign homework to accommodate the needs of a student. If a student has a great amount of homework every day, please arrange a conference with his/her teacher to determine why it is happening.

ILLNESS DURING SCHOOL

If a student becomes ill while at school, a parent/guardian will be notified and requested to come pick the child up. If no parent is available, it is very important that prior arrangements be made with a neighbor or relative to assume temporary care of your child. Please keep your emergency information

accurate by notifying the office of any changes. If you have questions or concerns please contact the school nurse, Laurie Coauette, at 218-281-5600 or lauriecoauette@isd593.org.

IMMUNIZATIONS

The law requires that all students entering any grade in school must have, on file, or submit a completed Certificate of Immunization signed by a physician, public health nurse, or the parent/guardian as required before they can be admitted to school unless the parent or legal guardian signs a waiver.

INCOMPLETE WORK

Any student who misses school because of an excused absence will be able to make up the work that was missed. The general rule is that for each day of absence, one day will be given to make up the work. Any student, upon the day of his/her return from the absence, is responsible for any and all assignments and/or any recitations which were assigned previous to the absence and which were due the day of the absence from the class. In cases of extended illness in which students need additional time to make up work, permission must be granted through the principal's office.

LOCKERS

Students are assigned a locker to keep their personal items such as outdoor garments. Students in grades 1-4 may bring a lock from home to use on their locker with their teacher's permission. If your student chooses to bring a personal lock the combination and/or a second key must be given to the office to keep during the school year before the lock can be used. The reason for this is students often forget their combinations and keys so this will prevent the lock from needing to be cut off of the locker. In the event that a personal lock is cut off of a locker Highland School is not responsible for replacing the personal lock. Locks are provided for 5th and 6th graders. Personal items must be stored inside the lockers at all times with the locker door shut. Do not store items above the lockers or on the floor of the locker bay. **Students are not to bring valuables or toys (Items not listed on the teacher supply lists) to school. The school is not responsible for lost or stolen items.**

Chapter #227 of Minnesota Statutes covers student lockers. The state-mandated policy is as follows: "School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. School authorities for any reason may conduct inspection of the interior of lockers at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials."

LOST AND FOUND

There is a Lost and Found area at each school. Anyone who is missing personal items should check there. Fragile or valuable items (e.g, prescription glasses, keys, jewelry) that are found may also be turned in at the office. If the items have not been claimed after one month, the items will be donated. There is also a Lost and Found box at the bus garage (281-5444).

MEDICATION

If your child needs to receive any type of medication during the school day (**Including over the counter medication such as aspirin, etc.**), the school nurse must have, on file, a permission form signed by the parent/guardian and family physician. These forms need to be updated annually in the case of long-term medication requirements and are available in the school office and located in Appendix M of this handbook. State law prohibits the school from giving medication without a doctor's order. **Please keep all medication in the original labeled container.** Only prescribed medication will be dispensed by school personnel. Medication must be delivered to school and picked up by an adult. **Students should never provide over the counter medications (Aspirin, etc.) to other students and ALL medications are required to be stored in the office at all times (Never in the student's locker). If a student is found to have medication in their possession without the proper paperwork the parent will be called immediately and the parent will be required to come pick up the medication or complete the required forms.**

MINNESOTA COMPREHENSIVE ASSESSMENTS (MCAs)

The Minnesota Comprehensive Assessments measure how well a student has mastered the math, reading, and science standards. Students in grades 3-6 are tested each year in reading and math. Fifth graders also take a science test. Students do not pass or fail these tests. Based on their scores, students are identified as not meeting, partially meeting, meeting, or exceeding the state standards in a given subject. These tests are part of Minnesota's educational accountability system. Schools will use these results to make curricular and instructional decisions for all students. The tests also provide individual student results and group information about how all children performed. Parents have a right to not have their student participate in state-required standardized assessments. See Appendix J for the Parent/Guardian Refusal for Student Participation in Statewide Assessments form.

MUSIC

Students have the opportunity to participate in orchestra in the spring of 4th grade. Choir and band are offered to students beginning in 5th grade. Concerts are held throughout the year. Musical instruments should be brought to class until your lessons. Instruments should not be left in locker bays, hallways, or stairways leading to music rooms.

PARENT/TEACHER ORGANIZATION (PTO)

Family members, school staff, and other adult members of the community are encouraged to take an active part in PTO. The purpose of the PTO is to foster relationships between the home and school and to support educational programming. PTO meets monthly and adults are encouraged to attend. Notices are sent in advance for meeting dates and times.

ITEMS NOT LISTED ON CLASSROOM SUPPLY LISTS

Any items not listed on the teacher's supply lists are not allowed in the classroom unless the teacher or principal has made a special exception to this policy. Examples of these types of items would be fidget spinners, rubics cubes, IPODS, IPADS, handheld electronic devices, slinkys, and etc. Students should not bring personal footballs, basketballs, and etc. to school because Highland provides them for all students. These types of devices are not allowed in school or on school property between 7:00 am and 3:15 pm unless permission is granted from the principal.

PARKING

Highland – Morning Drop-Off Routine

Enter the parking lot using the east entrance. Drive slowly in one direction by following the painted arrows (see Appendix D for map). You will notice that orange cones are used to block off some of the parking spaces in Row 1 of the lot. If you are dropping off a student, drive past the cones in Row 1 to enter the “Drop-Off Area.” **Pull ahead as far as you can in the designated area before letting your student out of the vehicle.** Students should **exit the vehicle on the passenger side** and walk directly to the sidewalk to remain safe. Please show courtesy to others by having your student exit the vehicle once in the “Drop-Off Area.” **Do not wait for those ahead of you to finish dropping off a student so that your student can be dropped off closer to the school building unless there are special circumstances** (e.g., child is on crutches or carrying a large instrument). During busy times, you may have to wait a short time before entering the “Drop-Off Area” because of the number of cars in front of you. In order to keep your child safe, please do not let your child out of the car until you are in the “Drop-Off Area.” Once your child is safely dropped off, continue to drive through the lot until you reach the exit.

If you prefer to not wait in line to enter the “Drop-Off Area,” you may park your car in an open spot in Row 1. Once you are parked, your child can exit the vehicle and quickly get on the sidewalk. If using this option, we ask that you use extreme caution when backing out of your parking spot. There may be other cars using the driving lane. We want to keep our students AND our families safe!

After School Pick-Up

Enter the parking lot using the east entrance. Drive slowly in one direction by following the painted arrows (see Appendix D for map). **Families must park in Row 1 next to the sidewalk that runs along the fence.** In the afternoon, **we will not allow vehicles to idle in the “Drop-Off Area” or allow students to enter vehicles that are not parked.** There are simply too many cars coming at once and it will not be safe enough. Once you are parked, your child will be allowed to walk down the sidewalk and enter the vehicle. **If there isn’t a parking spot available in Row 1, please “circle” around the parking lot until a spot opens up. You can also park in Rows 2, 3, or 4, then exit the vehicle and walk to the sidewalk to get your child.**

Other Highland Parking Notes

- For safety reasons, **only buses are to use the bus lane in front of the school from 7:30-8:05 am and 2:45-3:10 pm.**
- When a student is late to school or being picked up or dropped off during the day due to an appointment, **vehicles may park across from the bus lane (between 8:05 am - 2:45 pm). NO CARS ARE ALLOWED TO BE PARKED IN THE BUS LANES AT ANYTIME!**
- If you need to park for longer than 5 minutes during the school day (e.g., attend a meeting, volunteer in the classroom, eat lunch with your child), use the parking lot instead of the lane across from the bus lane.

PETS

Family pets are not allowed on school grounds or classrooms at Highland School. The factors that led to this position include unpredictable animal behavior, allergies, asthma, and diseases such as rabies. Photos of pets are an acceptable method of sharing a pet. Animals used in therapy, service situations, or for educational purposes may be allowed in our schools if approved by the School District and they meet all policy requirements.

PHONES, HANDHELD ELECTRONIC DEVICES, CELL PHONE WATCHES, ETC.

We ask that parents would please leave word with the school secretary or leave a voice mail message on the teacher's phone if they wish to have a teacher call them. If parents or guardians need to have an urgent message delivered, office personnel will take the message and see that the student receives it. Students are permitted to use the school telephone only when emergency conditions exist and must have approval to do so from their teacher and the office staff. All arrangements for a student's after school activities should be made before the student comes to school.

Cell Phone Policy: All cell phones must be turned off and kept in backpacks and/or lockers. They must not be visible. **Students may not use their cell phones between the hours of 7:00 am and 3:15 pm on School property. Students may not use their cell phones on buses.**

If a student is using a cell phone (ANY OF ITS FUNCTIONS) **for any reason** during the restricted time, the following consequences may be imposed:

- ❖ Phone will be confiscated from the student
- ❖ The discipline policy will be implemented
- ❖ The cell phone will be returned **ONLY** to the parent/guardian of the student. The student, sibling, neighbor or relative other than the parent/guardian may not pick up the phone.

We realize that having to pick up a student's phone may be inconvenient and therefore we recommend you discuss this policy with your student in order to avoid this problem. We also ask you to keep in mind that the use of cell phones are not only disruptive in class, they are an inconvenience to teachers and staff that must stop what they are doing to correct the problem, label the phone and be responsible for its safe keeping. Confiscated phones will be labeled with the student's name and kept in the main office until the parent or guardian takes possession.

CROOKSTON PUBLIC SCHOOLS ARE NOT RESPONSIBLE FOR LOST, STOLEN, OR BROKEN CELL PHONES AND WILL NOT PAY FOR PHONES THAT ARE LOST, STOLEN OR MISPLACED.

RECESS

Before or after the noon lunch, students will go outside to the playground. In case of inclement weather (snow, rain, excessive wind, etc.), students will stay in for recess. Highland students will be kept inside for recess if the temperature or wind chill exceeds -10 degrees Fahrenheit or at the discretion of the Principal based on inclement weather. If a child has a health problem (such as a cold or earache) which requires him/her to stay indoors, a note **MUST** be sent to the classroom teacher requesting that the student stay in at recess. Over the recess period, no student is to leave the school grounds unless accompanied by a parent or guardian and signed out in the office. Students that do not follow recess rules will lose recess privileges for 1-5 days for the first offense, 1-3 weeks for the second offense, and possibly the rest of the year for any further offenses.

REPORT CARDS

Each student's progress is reported through quarterly report cards and Parent Teacher Conferences. Students will receive report cards four times throughout the year. The final report card is mailed to the home approximately one week after school is dismissed.

RESTRAINING ORDERS/ORDER FOR PROTECTION

If you have a restraining order to protect your child, a copy of the order must be filed in the school office in order for us to enforce it.

SCHOOL NURSE

The school nurse is scheduled to be at each school during the week. The nursing program consists of two aspects: (a) preventive medicine and (b) immediate care in the form of first aid. Students are required to have a pass from their teacher to see the nurse. We understand in emergency cases that is not possible and therefore not required. The school nurse conducts a complete test of vision, hearing screening, and related health activities during the year. The school personnel handle most immediate first aid concerns with assistance from the school nurse. Illness and accidents will be reported to a parent or guardian. In the event of an injury to the head, the parent or guardian will be notified as soon as possible to inform them of the injury and determine whether the child may require additional medical attention. If it is necessary for an ambulance to be called, permission from the parent/guardian will be obtained, if possible. Several staff members are trained as First Responders in the event of an emergency.

SCHOOL MESSENGER

In our effort to improve communication between parents and school, Crookston Public Schools has implemented a telephone broadcast system that will enable school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation, or late start. The service may also be used from time-to-time to communicate general announcements or reminders. This service is provided by School Messenger, a company specializing in school-to-parent communications. If you are not receiving school notifications and would like to be part of this service, please contact the school offices to update your information so messages can be sent to your home phone or cell phone.

SEXUAL HARASSMENT AND SEXUAL VIOLENCE

It is the policy of Independent School District #593 to maintain a learning and working environment that is free from sexual harassment and violence. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct or communication of a sexual nature.

Sexual harassment may include but is not limited to: verbal harassment or abuse; subtle pressure for sexual activity; inappropriate patting or pinching; intentional brushing against a student's or an employee's body; and any sexually motivated unwelcome touching.

If a student is being harassed contact the building principal, teacher or another adult to report this. An oral or written report regarding the sexual harassment will be completed and forwarded to a Human Rights Officer (Chris Bates, Superintendent or Kathryn Stronstad, Special Services Director). A Human Rights Officer will investigate the allegation and, if the complaint is valid, the school district will take action as appropriate based on the results of the investigation.

SPECIAL SERVICES

In addition to the regular classroom teacher and related activities, the following programs and services are available: Title I instructional support, English as a Second Language, and Special Education services and testing programs. A parent or classroom teacher can refer students needing these services. Parents desiring more information about these programs may contact their classroom teacher, the building principal, or Kathryn Stronstad, Special Services Director at 281-5313 ext. 2101.

STORM POLICY

At times, weather conditions mandate that school be dismissed early or for school not to be held at all. School closings, delayed starting, or early dismissal will be announced over KROX 1260 AM in Crookston, KVLV, WDAZ, Channel 3 of Crookston's cable television, and through our SchoolReach system (telephone, text, email). Reports will be made between 6:00 a.m. and 7:30 a.m. If no report is made, it can be assumed that school will be in session. **Please do not call the school**, as the telephone lines must be kept open for emergencies.

STUDENT PLACEMENT REQUESTS

Parents/guardians who wish to make a special request for their child's classroom placement the next school year must complete the Student Placement Request by Parent form. The form is located in Appendix L of this handbook or in the principal's office. **It must be turned in by April 15th**. If you turn in a request and the teachers change you will be contacted to change your student placement request. When requesting a teacher or that your child not be placed in the same classroom as another student (e.g., relative in same grade, neighbor), an educational reason for the request must be listed. Please make your decision based on what is the right fit for your child. Requests will be considered, but cannot be guaranteed. Student placement requests for children that are not your own will not be honored. Administration reserves the right to make the final decision.

TENNIS SHOES

At Highland, all children are requested to have tennis shoes for use in their Physical Education activities in order to avoid accidents. This safety requirement is essential. Choose styles with non-marking soles. Tennis shoes can be a pair worn to school or an extra pair kept at school.

VOLUNTEER HELP

We encourage parents and other adults to volunteer for various activities or events. These may include classroom parties, field trips, working with students, or other activities that will enhance the educational program. Any parents that are interested in volunteering in a classroom or chaperoning a field trip must complete a Volunteer/Chaperone form. The form can also be found in Appendix N of this handbook. The forms must be returned to the Highland School office one week prior to the field trip or classroom activity, you are volunteering for.

WEAPONS

In this handbook the term "weapon" includes a firearm whether loaded or unloaded, knives, explosives (including fire crackers) or any device designed as a weapon or having the appearance of a weapon (e.g., look-alikes of all kinds) or any device or instrument used or intended to be used to produce death, bodily harm, or injury. Laser pointers are considered a weapon.

POLICY: Possession, use or transmission of a weapon(s) on school grounds, during school time or at school functions including functions held at other locations is prohibited. Violators will immediately be referred to criminal justice or juvenile justice authorities. Minnesota Statute #127.28 mandates that the school board must expel for one year a pupil who is determined to have brought a firearm to school. The expulsion may be modified on a case-by-case basis.

WELLNESS POLICY

The District's Wellness Policy (#533) exists to promote and protect students' health, well-being, and ability to learn by supporting healthy eating and physical activity. The policy aims to align the school environment with the health messages that are taught in school. This includes limiting sweet and other unhealthy foods for optimal nutrition and dental health. It also encourages physical activity both in and out of school.

Schools will work toward eliminating the use of food rewards for academic performance or good behavior. Healthy food options will be considered for special school events. Families will be encouraged to support the policy by sending healthy lunches and/or snacks to school. Healthy food options and/or non-food items are encouraged when families choose to send items to school for a celebration.

WITHDRAWALS FROM SCHOOL

If you are moving out of town, the principal or teacher should be notified at least one day in advance so that proper transfer records can be prepared and the child's supplies collected for transfer.

Appendix A: Student Transportation Services and Bus Regulations

GUIDELINES FOR ESTABLISHMENT OF BUS STOPS

The Transportation Director will determine the pick-up points and drop-off points for each child being transported and will use the following guidelines:

- A. It is considered reasonable for students in grades 3-12 to walk up to one-half mile to the bus, except that it shall be reduced to one-quarter ($1/4$) miles on November 15 and remain in effect until April 1 of each year.
- B. Students in pre-kindergarten shall be picked up at their door or as close as possible, and students in grades K-2 shall be expected to walk up to one-quarter ($1/4$) mile to meet the bus, except that it shall be reduced to one-eighth ($1/8$) mile on November 15 and remain in effect until April 1 of each year.
- C. It is considered reasonable for in-town students in grades K-12 to walk up to five (5) blocks to a bus stop. Pre-kindergarten students shall be picked up at their door or as close as possible. Carman Terrace, Forrest Knolls and Meadowland students shall be picked up at their entrance.
- D. Only regularly enrolled students in the public and parochial schools including the Area Learning Center and the Early Childhood and Family Education Program may ride on the public school buses. Drivers are not permitted to pick up adults or others who do not attend the Crookston public and parochial schools.
- E. Any pupil not regularly riding on a bus will secure written approval from their Building Principal or the Superintendent before riding one of the scheduled bus routes. The written permission shall be presented to the driver before entering the bus.

CONDUCT ON SCHOOL BUSES AND CONSEQUENCES FOR MISBEHAVIOR

Students should be on time at their designated school bus stop and should wait until the bus comes to a complete stop before attempting to enter.

A. Safe Driving Regulations:

While on the bus, students should –

1. Never put arms, hands or any other part of the body out of the doors or windows.
2. Remember that loud talking and laughing diverts the driver's attention and makes safe driving difficult. Horseplay, rowdiness or wrestling is not permitted around or on the school bus.
3. Not leave their seats while the bus is in motion.
4. Be on time at the designated school bus stop to keep the bus on schedule.
5. Stay off the road at all times while waiting for the bus.
6. Be careful in approaching the place where the bus stops. Do not move toward the bus until the bus has been brought to a complete stop.
7. Always be seated when the bus is moving.
8. Assist in keeping the bus safe and sanitary.
9. Respect and use interior parts of the bus and equipment in the same manner that they treat fine furniture in their home.
10. Never leave anything on the bus such as lunch boxes, paper sacks, books or clothing.
11. Keep all personal possessions out of the aisles.
12. Not throw anything out of the doors or windows.
13. Aid in looking after and helping small children.
14. Practice courtesy to fellow pupils and offer assistance to the bus driver.

15. Remain quiet when the bus is approaching railroad crossings.
16. Obey the bus driver instantly in case of an emergency and remain on the bus unless otherwise instructed.
17. Demonstrate the traits of good bus citizenship every day. Bus drivers are responsible for maintaining good discipline on their bus.
18. Inappropriate language directed at the driver or other passengers will not be tolerated.
19. Cellphone use is prohibited.

B. Should discipline problems arise that the driver cannot handle, the following procedures will be used:

1st Offense:

The bus driver informs the Transportation Services Director of the discipline problem and completes a complaint form. The Transportation Services Director contacts the student's building principal. The principal calls the parent(s) and sends a letter with a copy of the complaint form and talks to the student.

2nd Offense:

The bus driver informs the Transportation Services Director of the discipline problem and completes a complaint form. The Transportation Services Director forwards copies of the complaint form to the student's building principal. The principal calls the parent(s) and **may arrange** a conference with the parent(s), student, Transportation Services Director and the building principal.

The student **may be** suspended from school bus riding privileges for 1 – 5 days. The bus suspension decision is made by the building principal and the Transportation Services Director.

A letter will be sent by the building principal to the parent(s) and student within forty-eight (48) hours of the conference detailing the reasons(s) for the suspension, when bus riding privileges will be reinstated and will include a copy of the Minnesota Fair Pupil Dismissal Act.

3rd Offense:

The bus driver informs the Transportation Services Director of the discipline problem and completes a complaint form. The Transportation Services Director forwards copies of the complaint form to the student's building principal. The principal calls the parent(s) and **may arrange** a conference with the parent(s), student, Transportation Services Director and the building principal.

The student **may be** suspended from bus riding privileges for the remainder of the time designated by the building principal and the Transportation Services Director.

A letter will be sent by the building principal to the parent(s) and student within forty-eight (48) hours of the conference detailing the reasons(s) for the suspension, when bus riding privileges will be reinstated and will include a copy of the Minnesota Fair Pupil Dismissal Act.

Possible alternative transportation for the student may be decided on an individual basis by the building principal and the Transportation Services Director.

Based on the severity of the incident, the student may be placed at any offense level listed above.

PARENT AND GUARDIAN INVOLVEMENT

A. Parent and Guardian Notification

The school district school bus and bus stop rules will be provided to each family. Parents and guardians are asked to review the rules with their children.

B. Parents/Guardians Responsibilities for Transportation Safety

Parents/Guardians are responsible to:

1. Become familiar with school district rules, policies, regulations, and the principles of school bus safety, and thoroughly review them with their children;
2. Support safe riding and walking practices, and recognize that students are responsible for their actions;
3. Communicate safety concerns to their school administrators;
4. Monitor bus stops, if possible;
5. Have their children to the bus stop five minutes before the bus arrives;
6. Have their children properly dressed for the weather; and
7. Have a plan in case the bus is late.

OPERATING RULES AND PROCEDURES

A. General Operating Rules

1. Students may be released from the school bus at only two points, the assigned bus stop or at school, except in an emergency or as otherwise authorized by the Transportation Director. The parent or guardian shall designate one location to be their student's a.m. bus stop and one location to their student's p.m. bus stop. The locations must be in the attendance area of Independent School District #593 and may be a daycare facility, respite care facility, residence of a relative, or residence of a person chosen by the parent.
2. Students may not have other students ride the bus for purposes such as, birthday parties, overnight stays, etc.
3. Students may not use their cellphones on buses unless they have specific permission from the bus driver.
4. Students are not allowed to have food, candy, pop, etc. on the bus.

Appendix B: Pest Control Notice

NOTICE CONCERNING USE OF PEST CONTROL MATERIALS

Prepared by the Minnesota Pest Control Association

For the "Parents Right to Know Act", (M.S. 123B.575, Subdivisions 1-14)

Our district utilizes a licensed, professional pest control service for the prevention and control of rodents, insects and other pests in and around the district's buildings. Their program consists of:

1. Inspection and monitoring to determine whether pests are present, and whether any treatment is needed;
2. Recommendations for maintenance and sanitation to help eliminate pests without need for pest control materials;
3. Utilization of non-chemical measures such as traps, caulking and screening; and
1. Application of EPA-registered pest control materials when needed.

Pests can sting, bite, cause contamination, damage property, and spread disease; therefore, we must prevent and control them. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood. All pest control materials are chosen and applied according to label directions per Federal Law.

An estimated schedule of interior pest control inspections and possible treatment is available for review or copying at each school office. A similar estimated schedule is available for application of herbicides and other materials to school grounds. Parents of students may request to receive, at their expense, prior notification of any application of a pest control material, should such an application be deemed necessary on a day different from the days specified in the schedule.

Appendix C: Highland School Schedules

2019-2020

When arriving at Highland School, students in grades 1-4 go to the playground area. Students in grades 5-6 go to the front of the school. Students should not arrive before 7:30 am since there is no adult supervision before that time. Breakfast will be served in the classroom at 8:00 am - 8:25 am. Only students that have teacher permission will be allowed in the school prior to 7:55 am.

8:00 am = First bell rings. 1-4 grades

1st graders use the north playground doors = Door #11

2nd graders use the north playground doors = Door #11

3rd graders use the south playground doors = Door #10

4th graders use the south playground doors = Door #10

8:05 am = Second bell rings. 5 & 6 grades

5th graders use the west front doors = Door #5

6th graders use the east front doors = Door #6

8:05 am = Tardy bell rings.

2:50 pm = Afternoon Announcements

3:00 pm = First dismissal bell and load buses for grades 1-4

3:05 pm = Second dismissal bell and load buses for grades 5 & 6

Appendix H: Map of Highland Parking Lot

Appendix I: Highland School Discipline Policy

ATTENDANCE			
Behaviors	1st Offense	2nd Offense	3rd/Future Offenses
Skipping —leaving class, the school building, or school grounds without a pass.	Parent and student notification.	Alternative Behavioral Intervention Program and Parent notification.	Alternative Behavioral Intervention Program & Parent/Student meeting
Absenteeism —three (3) or more unexcused absences.	Parent and student notification.	Parent notification.	Alternative Behavioral Intervention Program & Parent/Student meeting
Tardies —(5) unexcused tardies.	Parent and student notification.	Parent notification.	Parent / Student/ Principal Meeting.

With all offenses, building administrators may use discretion in selecting a consequence based on the severity of the offense.

DRESS CODE			
Behaviors	1st Offense	2nd Offense	3rd/Future Offenses
Inappropriate Clothing —short shorts (must be longer than fingertip length); skimpy tank tops (spaghetti straps); exposed midriff; clothing with lewd, vulgar, or obscene messages; apparel promoting illegal products or activities; clothing in violation of community standards; or sexist, racist, or otherwise derogatory messages.	Student will be required to change clothes either school provided or parents will be contacted to provide appropriate clothing.	Student will be required to change clothes either school provided or parents will be contacted to provide appropriate clothing.	Alternative Behavioral Intervention Program & Parent notification.
Headwear —cap, hat, hood, or other headgear worn during the school day.	Removal of headwear.	Removal of headwear and headwear stored in the office.	Removal of headwear and headwear stored in office. Habitual violations may lead to parent having to pick up headwear in the office.

With all offenses, building administrators may use discretion in selecting a consequence based on the severity of the offense.

SUBSTANCE & TOBACCO POSSESSION & USE			
Behaviors	1st Offense	2nd Offense	3rd/Future Offense
Possession or Use of Alcohol, Tobacco, and Other Drugs —possessing or using any narcotic, inhalants, or controlled substances where possession or use is prohibited by Minnesota or federal law.	Up to 10 days suspension. Parent notification.	Up to 10 days suspension. Parent notification.	Expulsion / Exclusion. Parent notification.
Intent to Distribute Alcohol, Tobacco, or Other Drugs —selling, distributing, or intent to sell alcohol, tobacco, and other drugs.	Up to 10 days suspension. Parent notification.	10 days suspension. Expulsion / Exclusion. Parent notification.	Expulsion / Exclusion. Parent notification.

With all offenses, building administrators may use discretion in selecting a consequence based on the severity of the offense.

DAMAGE OR DESTRUCTION TO SCHOOL OR PERSONAL PROPERTY

Behaviors	1 st Offense	2 nd Offense	3 rd /Future Offenses
<p>Vandalism—defacing or damaging property that belongs to the school, students, staff, or anyone involved in school activities. This also includes creating permanent décor to the interior or exterior of lockers.</p>	<p>Possible but not limited to Alternative Behavioral Intervention Program and retribution. Parent Notification.	Parent notification. Privilege to ride bus revoked. Parent Notification.
Food Fight at School Any student involved in a food fight (throwing food).	1-3 days suspension. Law enforcement will be called. Student required to eat lunch in the office remainder of the year. Parent notification.	1-5 days suspension. Law enforcement will be called. Student required to eat lunch in the office remainder of the year. Parent notification.	1-10 days suspension. Law enforcement will be called. Student required to eat lunch in the office remainder of the year. Parent notification.

With all offenses, building administrators may use discretion in selecting a consequence based on the severity of the offense.

RECESS			
Behaviors	1st Offense	2nd Offense	3rd/Future Offenses
Not following recess rules	Possible loss of recess 1-5 days.	Possible loss of recess 1-3 weeks. Parent Notification.	Possible loss of recess the rest of the year. Parent Notification.

With all offenses, building administrators may use discretion in selecting a consequence based on the severity of the offense.

Appendix J: Parent Refusal for Student Participation in Statewide Assessments

This document provides basic information to help parents/guardians make informed decisions that benefit their children, schools and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our children with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student’s achievement, but your student’s participation is important to understand how effectively the education at your student’s school is aligned to the academic standards.

- Students who do not participate will receive a score of “not proficient.”
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K–12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessment (MCA) and Minnesota Test of Academic Skills (MTAS) <ul style="list-style-type: none">• Based on the Minnesota Academic Standards; given annually in grades 3-8 and in high school in reading and mathematics; given annually in grades 5, 8 and in high school for science.• Majority of students take the MCA.• MTAS is an option for students with the most significant cognitive disabilities.	ACCESS and Alternate ACCESS for English Learners <ul style="list-style-type: none">• Based on the WIDA English Language Development Standards.• Given annually to English learners in grades K–12 in reading, writing, listening and speaking.• Majority of English learners take ACCESS for ELLs.• Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.
---	---

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The reading and mathematics MCAs are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Because test content represents the academic standards as completely as possible, preparing for and taking the assessments uses the very same knowledge, processes and strategies included in the standards.

Are there limits on local testing?

As stated in 120B.301, for students in grades 1-6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7-12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](#) (education.state.mn.us > Students and Families > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required each year parents/guardians wish to opt the student out of statewide assessments.

Date _____ (This form is **only** applicable for the 20____ to 20____ school year.)

Student's Legal First Name _____ Student's Legal Middle Initial _____

Student's Legal Last Name _____ Student's Date of Birth _____

Student's District/School _____ Grade _____

Please initial to indicate you have received and reviewed information about statewide testing.

_____ I received information on statewide assessments and choose to opt my student out. MDE provides a *Parent/Guardian Guide to Statewide Testing* on the [MDE website](#) (Students and Families > Statewide Testing).

Reason for refusal:

Please indicate the statewide assessment(s) you are opting the student out of this school year:

_____ MCA/MTAS Reading _____ MCA/MTAS Science
 _____ MCA/MTAS Mathematics _____ ACCESS or Alternate ACCESS for ELLs

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my student will receive a score of "not proficient" and waives the opportunity to receive a college-ready score that could save him/her time and money by not having to take remedial, non-credit courses at a Minnesota State college or university. My school and I may lose valuable information about how well my student is progressing academically. In addition, opting out may impact the school, district, and state's efforts to equitably distribute resources and support student learning.

Parent/Guardian Name (print) _____

Parent/Guardian Signature _____

To be completed by school or district staff only. Student ID or MARSS Number _____

Appendix K: Highland School Calendar 2019-20

2019 - 2020 SCHOOL CALENDAR

Appendix M: Medication Administration Authorization Form

**CROOKSTON PUBLIC SCHOOLS #593
CROOKSTON, MN 56716
MEDICATION ADMINISTRATION AUTHORIZATION**

Date: _____

Student Name _____ Grade/Teacher _____
Parent/Guardian Name _____ DOB _____
Phone Number _____ Work _____

PART I: Must be completed by physician before school will administer medication

Medication Name: _____
Dosage(s) needed in school _____
Time(s) to be given during school hours _____
Diagnosis requiring medication _____
Possible adverse reactions _____
Length of time medication to be given _____

Physician's Signature	Clinic	Phone #	Fax #	Date
-----------------------	--------	---------	-------	------

Part II: Must be signed by parent before school will administer medication

I request and give my permission to delegated school personnel to administer the above medication to my child. I give permission for the school nurse to communicate, as needed, with school staff about my child's medical condition and the action of the medication in order to provide for my child's health and safety needs at school. I will adhere to the rules and responsibilities as specified in the school medication guidelines. I understand it is my responsibility to refill medication when notified and that any changes in dosage or medication requires a physician's signature. I will notify the school if medication is stopped. I request that the medication be given on field trips as prescribed. ___Yes ___No
I give permission for the school nurse to contact my child's physician/licensed prescriber with questions about the above medication or medical condition being treated by the medication.
I give permission for the physician/licensed prescriber to release information related to the above medication and medical condition to the licensed school nurse.

Parent/Guardian Signature	Date
---------------------------	------

Part III: To be signed by supervisor of medication administration

I have agreed to supervise the administration of medication to the above named student according to the directions of the physician.

Licensed School Nurse	Date
-----------------------	------

Appendix N: School Volunteer/Chaperone Form

Crookston Public Schools 2018-19 Volunteer/Chaperone Form

Name of Child: _____ Name of Teacher: _____

Name of Child: _____ Name of Teacher: _____

As a prospective volunteer/chaperone of Crookston Public Schools, I understand that it is the school district's policy to secure Conviction Criminal History information as part of their screening process using the information provide below. You will be notified via mail if you are approved to be a volunteer/chaperone at Crookston Public Schools.

PLEASE PRINT CLEARLY

(All requested information must be completed)

First Name: _____ Last Name: _____ Middle Initial: _____

Maiden Name/Names Previously Used: _____

Daytime Phone: _____ Birth Date: _____ Race: _____

Sex: Male___ Female___ Driver's License#: _____

Are you the Parent or Guardian and have legal custodial rights to the child(ren) listed above?
Yes___ No___

Have you ever been convicted of a felony or misdemeanor involving drugs or sexual or physical abuse? Yes___ No___

Have you ever been convicted of a misdemeanor charge (other than minor traffic violations) in the past 10 years? Yes___ No___

Are there any felony or misdemeanor charges (other than minor traffic violations) currently pending against you? Yes___ No___

If yes, please explain the nature of the conviction(s) and the date(s) of the conviction:

I understand that criminal record information is maintained by the local police department in Crookston, Minnesota. I authorize Crookston Public Schools to obtain my criminal record information.
