August 2019

Dear Friend,

You are invited to renew your support of the **Pirate Fine Arts Boosters**. This past year nearly \$12,000 was distributed to the various fine arts programs in our public schools. \$2,600 was given in student summer arts scholarships. \$500 supported an Artist in the Schools residency combining the art and English departments. We are deeply indebted to a generous bequest from the June Shaver estate. We welcome Gary Stegman, art teacher and Haley Ellis, string teacher to our board. We thank retiring members Belinda Fjeld and Amy Ellingson.

Funds are now being solicited for the 2019 - 2020 school year.

Thank you for your consideration.

Sincerely yours,

Pirate Fine Arts Boosters
