Crops & Soils Day

Wednesday, July 21, 2021

Crops & Soils Day will be held at the NWROC's Maintenance/Farm Operations Building located south of Polk County Hwy 71 on NWROC's campus. Parking is across from the office.

Crops & Soils Day is intended for producers and agricultural professionals. CEUs are available for all tours. In case of rain, a modified program will be presented indoors and the speakers will be available for consultation.
